Medical Release

I have read the information pertaining to the cruise through Southeast Alaska, which has been designed and is being conducted by The Boat Company.

I understand that there are inherent dangers and risks that may occur on the trip, known or unknown, relating but not limited to air, bus, car and ship travel, nature walks and hikes, water craft activity and swimming, accidents and/or illness, as well as acts of nature, man or God. I further understand that I may engage in as much or as little activity as I wish, and that by choosing to participate in any activity I am representing to The Boat Company that the activity is appropriate for me, given my age, health and fitness level.

I understand that the Boat Company maintains an open, bar for guests 21 and over, and I accept responsibility for myself and my party.

The Boat Company urges passengers to check medical coverage to make sure it is adequate (hospital facilities are often remote). I understand that The Boat Company is not responsible for providing any medical care, except for general first aid to passengers aboard its boats, and that I will be responsible for the cost of any emergency medical treatment.

I declare that the information provided on the reverse side is true and correct to the best of my knowledge. I acknowledge that I have received and read The Boat Company's Contract of Passage, and I agree to be bound by its terms.

Cancellation Policy

The Boat Company is a non-profit educational organization incorporated in the State of Alaska. Unlike large cruise operations carrying hundreds or thousands of passengers, our small-scale trips and limited sailing season mean that cancellations significantly impact our ability to cover expenses.

- Cancellations within 24 hours of booking: Free cancellation is available for all trips within 24 hours of booking.
- Cancellations more than 180 days prior to departure: Deposits are non-refundable after 24 hours; any payments made prior to the 180-day period will be returned 100% minus the deposit.
- Cancellations between 90 and 180 days prior to departure: Receive either a credit for the amount paid, less a 25% administrative fee to be applied toward a future trip OR receive a charitable contribution letter for the full amount paid less any deposits and/or fees.
- Cancellations within 90 days of departure: All deposits and payments are non-refundable, and guests will receive a charitable contribution letter for the amount paid less any deposits and/or fees.
- Cancellations after the cruise has begun or early disembarkation: No refunds, credits, or compensation will be provided for cancellations after the cruise begins or for early disembarkation for any reason.

We appreciate your understanding of our cancellation policy, and we strongly recommend purchasing travel insurance to protect against unforeseen changes. One place to purchase travel insurance is through our affiliate Squarmouth at www.squaremouth.com/23597.
