

WELCOME ABOARD LISERON

Liseron was originally a minesweeper back in 1952 for the French Navy before she was adopted by The Boat Company and the McIntosh family.

Completely refurbished and refitted for exclusive and luxurious exploration, Liseron is the pinnacle of the fleet in Southeast Alaska, and the best way to experience the Tongass National Forest.

*Total Cabins: 10
Passenger Capacity: 20*

*Length: 145 ft.
Width: 28 ft.*

An elegant dining room highlighted by the rich restored wood is aft on the fantail, which is heated and protected from the weather while offering stunning views during your mealtimes.

Liseron has 10 guest cabins – each with a queen lower and twin upper bunk – comfortably accommodating 20 guests.

All cabins have private bath with stall shower, double wardrobe, several drawers, a screened picture window, and a screened door which may be latched open. Temperature controls, standard AC outlets, binoculars, flashlights, towels, linens, hair dryer, shampoo & conditioner are provided.
